- 2 eggs

You also need...

- x2 Cake tins
- Mixing bowl
- Whisk
  Sieve
- Mixing spoon
- Oven gloves
- Oven
- Cooling rack

Instructions

- Heat the oven to 180 degrees / Gas 4
- Grease the inside of both pans using butter
- Add sugar to the the mixing bowl
- Add softened butter to the mixing bowl and mix together using a large spoon
- Crack both eggs into a separate dish & beat using a whisk - once done add to mixing bowl and mix together
- Sieve the flour into the mixing bowl and mix together
- Add mixture evenly to both pans
- Add pans into the oven
  Cook for 25 - 30 minutes
- To check if your cake is cooked - insert a skewer into the middle of the cake - if it comes out clean it is cooked!
- Remove from the oven using oven gloves and let it cool in the pans for 10 minutes
- Remove the cakes from the pans and let them cool on a cooling rack
- Add a jam filling of your choice and decorate however you like with lots of tasty things!

Make Your Own Tractor

Cut out the shapes and see if you can make a tractor out of them
(ask a grown up to help with the scissors)

Can you draw Bert in his tractor?

Can you remember all the colours in the rainbow?
