

Colouring Worksheet

Use the following worksheet to practice different colouring techniques. This worksheet is designed for colouring pencils, but you can use pens or paint if you don't have any!

Shading dark to light: Use one colour to shade dark to light

Two-Tone: Make a gradient using two colours

Rainbow: Make a gradient rainbow!

Next use the boxes below to practice different lines and techniques! I'll talk you through each technique in the instruction video.

Cross hatching

Lines

Scumbling

Scraping

Oil blending

Mixed media
