

Instructions: Print out the list of script prompts below and cut them out. Use the blank spaces to add your own ideas.

1. Someone finds a magical object, but no one is sure what it does. How do we work out what the magic is?

2. A delivery comes and it's an amazingly special birthday present! But who is the present for and why is it so special?

3. Oh no, our character gets lost in the woods! How did they get there and how do they get out?

4. Your character has been told a secret. Can they keep the secret?

5. Two characters go to the beach to play a game, but something gets in the way. What happens? Can they play their game in the end?

6. Your character has been asked to go on a special mission to get a rare jewel. Will they be able to complete the mission?

7. Your character is going on a walk with a friend, when they find a lost animal! How can you help it get home?

8. Your character goes through a portal sending them back in time! Where do they go and what happens?

9.

10.
