

# Inking Worksheet

Use the following worksheet to practice different inking techniques. You don't need any fancy pens - a biro or a paintbrush and some ink or black paint will do!

Pattern: Use your own fun pattern to shade the box!

Next use the boxes below to practice drawing different lines and patterns! You can try out different pens or brushes for each one if you'd like!

Use some of the line drawing techniques to shade the circles below! The arrows show where your light source is coming from, so the shadow will be on the opposite side.
