

Animal Quiz!

This week we've sent out some music inspired by different animals from around the world! Whilst you listen, see if you can guess which animal's picture is being painted by the music. There are 7 animals in total. If you find that you're stuck, there are some clues on this page. Good luck!

Clues

Animal Number One

I have a long, grey trunk and you can find me in both Africa and India. You might have seen me in a film called 'Dumbo'.

Animal Number Two

You can keep me as a pet. I need lots of walks and love chasing sticks.

Animal Number Three

I have a fluffy, woolly coat which you can use to make clothes. There are lots of animals like me in Wales! You might count me if you are having trouble getting to sleep...

Animal Number Four

If you look carefully in a stream or a pond you might see me swimming around or hiding at the bottom. I have slippery scales, a tail, and I can breathe underwater.

Animal Number Five

I am a very big animal and I make a big RAWR! I can be brown, black, and sometimes white, and I often live in the forest or near the North Pole. When it's winter I often hibernate for weeks and weeks.

Animal Number Six

I am very small and have a long tail. Some people are scared of me but I'm actually very gentle. I love cheese.

Animal Number Seven

If you go to Bute Park or Roath Park you might see me walking along the bank or gliding through the water. I have white feathers.
