

Hi! Welcome to the workshop!

You will need:

- paper (x3 pieces)
- felt tips/pencils
- glue/tape
- magazine, newspaper
- scissors

TASK 1

Cut images, shapes, text from the magazines/newspaper. Use these including writing, your own colouring, pattern and mark-making, to fill your 3 pieces of paper with pattern and colour. Consider blocks of colour, lines and patterns that run off one image on to the other.

TASK 2

Find an image of a main figure in a magazine/newspaper. Cut it out and place it on your patterned paper. Aim to find 3 main images. They could be people (whole body or portrait) or animals.

TASK 3

Secure the work with glue or tape.
Take a picture to share with us!
